Data Protection statement: The information provided in this form will be processed in accordance with the Data Protection legislation and used to process your coding notice, for tax compliance, to ensure that details held are accurate and up to date, and may also be used for the purposes of the Rolling Electronic Census. Full details of our Data Protection Policy can be found at www.gov.gg/tax.

If you are a student and your permanent or family home is in Guernsey and your only source of income is from employment in Guernsey and your employer submits the details of your earnings to this office, you will be notified in writing that you will not be required to complete an income tax return on an annual basis. However, if you receive income that does not have tax deducted at source under the ETI Scheme, you will be required to submit an income tax return each year whilst you are a student, even if your earnings are below the personal allowance.

Returns are available to complete online at <https://eforms.gov.gg/> or alternatively can be downloaded from www.gov.gg/forms.

Returns should be submitted by 30 November following the end of the calendar year to which the return relates (i.e. the calendar year 2013 return should be submitted by 30 November 2014 to avoid a late filing penalty).

In accordance with Statement of Practice M49, you will be treated as principally resident for each calendar year during which you are in full time education outside of Guernsey, so it will not be necessary for you to keep details of the number of days you spend in Guernsey each year. Further information is available in the FAQ "[Students](#)".

Please refer to www.gov.gg/taxforindividuals and www.gov.gg/taxationfaq for general information on the Guernsey tax system.
