

STATES OF DELIBERATION

9th December, 2009

Billet d'État No. XXXIII Article No. 16

AMENDMENT

Proposed by: Deputy D de G De Lisle

Seconded by: Deputy J Kuttelwascher

Health and Social Services Department Control of Environmental Pollution - Waste Ordinance

To insert at the end of the words in Proposition 1:

“, and for the establishment of standards, objectives or requirements to control pollution arising from particular processes or particular pollutants, pursuant to section 3(3) of the Environmental Pollution (Guernsey) Law 2004”.

Explanatory Note

Section 3(3) of the Environmental Pollution (Guernsey) Law 2004 expressly provides that the States may by Ordinance establish standards, objectives or requirements to control pollution arising from particular processes or particular pollutants. There are European Union and other accepted international standards which could be thus established.
