

**STATES OF DELIBERATION**

**26<sup>th</sup> November, 2008**

**Billet d'État No. XV  
Article 15**

**AMENDMENT**

Proposed by: Deputy M J Fallaize  
Seconded by: Deputy A H Brouard

**Policy Council – International Identity Framework Document**

To replace the proposition with the following proposition:

“Having noted the contents of that report, to authorise the Chief Minister to sign the International Identity Framework Document.”

**EXPLANATORY NOTE**

The effect of this amendment is to require the approval of the States of Deliberation before the International Identity Framework Document is signed on behalf of Guernsey by the Chief Minister.

This amendment is not intended to undermine the general principle of the 1987 States Resolution that, subject to the various caveats contained therein, consideration of whether or not to acquiesce to an invitation that an international agreement be applied to Guernsey should be conferred on the States Advisory & Finance Committee (now Policy Council).
