

STATES OF DELIBERATION

26th November, 2008

**Billet d'État No. XV
Article 18**

AMENDMENT

Proposed by: Deputy D de G De Lisle

Seconded by: Deputy A R Le Lievre

**Public Services Department – Refurbishment of Belle Greve Wastewater Disposal
Facility**

To insert an additional proposition immediately after proposition (iv) as follows:

“(v). To direct the Public Services Department to report back to the States as soon as possible (and in any event before the end of November 2009) with firm proposals for implementing a comprehensive system for treating liquid waste/wastewater discharged into the waters around the Island of Guernsey.”

EXPLANATORY NOTE

The purpose of the amendment is to provide the States with an opportunity to make a firm commitment to comprehensive wastewater treatment without in any way restricting the scope of the Public Services Department to make alterations and improvements to the existing infrastructure in the short-term.
