

STATES OF DELIBERATION

26th November, 2008

**Billet d'État No. XV
Article 15**

SURIS

Proposed by: Deputy M J Fallaize
Seconded by: Deputy A H Brouard

Policy Council – International Identity Framework Document

To sursis the Article, and direct Policy Council to lay the report before the States of Deliberation as soon as possible, but having given full consideration to the terms of the amendment moved by Deputy Fallaize this day but not debated pursuant to Rule 13(6) of the Rules of Procedure.

EXPLANATORY NOTE

It is intended that this sursis will be moved only in the event that a motion pursuant to Rule 13(6) (that the amendment not be debated) takes effect in respect of the amendment to this Article moved by Deputies Fallaize and Brouard.

This sursis is not intended to undermine the general principle of the 1987 States Resolution that, subject to the various caveats contained therein, consideration of whether or not to acquiesce to an invitation that an international agreement be applied to Guernsey should be conferred on the States Advisory & Finance Committee (now Policy Council).
