

STATES OF DELIBERATION

10th December 2008

**Billet d'État No. XVIII
Article 8**

SURIS

Proposed by: Deputy J A B Gollop
Seconded by:

**Public Services Department
Guernsey Airport – Pavements Rehabilitation**

To sursis the Article until the States of Guernsey have debated both:

- a) capital prioritisation; and
- b) a report submitted by the Commerce and Employment Department outlining the costs and benefits of a runway extension necessary to increase the choice of viable aircraft types able to serve Guernsey Airport and dealing with aircraft parking facilities on the airport apron.
