If you have commenced full-time employment, you will be issued with a Coding Notice once this form has been processed. Please ensure you notify this office if you change employer or have a change in your circumstances (i.e. you marry or commence paying a mortgage), as this will affect the allowances granted to you. Changes to your Coding can be requested online via the link at www.gov.gg/tax where further information on your Coding Notice is also available.

If your only source of income is from employment in Guernsey and your employer submits the details of your earnings to this office, you will be notified in writing that you will not be required to complete an income tax return on an annual basis. However, if you receive income that does not have tax deducted at source under the ETI Scheme, you will be required to submit an income tax return each year, even if your earnings are below the personal allowance.

Returns are available to complete online at <https://eforms.gov.gg/> or alternatively can be downloaded from www.gov.gg/tax under "Income tax returns".

Returns should be submitted by 30 November following the end of the calendar year to which the return relates (i.e. the calendar year 2019 return should be submitted by 30 November 2020 to avoid a late filing penalty).

Please refer to www.gov.gg/revenueservice for general information on the Guernsey tax system.

Fair Processing Notice: The information you have provided on this form is required under the Income Tax (Guernsey) Law, 1975 for the purposes of the assessment and collection of income tax.
