If you are a student and your permanent or family home is in Guernsey and your only source of income is from employment in Guernsey and your employer submits the details of your earnings to this office, you will be notified in writing that you will not be required to complete an income tax return on an annual basis. However, if you receive income that does not have tax deducted at source under the ETI Scheme, you will be required to submit an income tax return each year whilst you are a student, even if your earnings are below the personal allowance.

Returns are available to complete online at www.gov.gg/onlinetaxreturn or alternatively can be downloaded from www.gov.gg/revenueservice under "Income tax returns".

Returns should be submitted by 30 November following the end of the calendar year to which the return relates (i.e. the calendar year 2017 return should be submitted by 30 November 2018 to avoid a late filing penalty).

In accordance with Statement of Practice M49, you will be treated as principally resident for each calendar year during which you are in full time education outside of Guernsey, so it will not be necessary for you to keep details of the number of days you spend in Guernsey each year. Further information is available in the FAQ "[Students](#)".

Please refer to www.gov.gg/revenueservice for general information on the Guernsey tax system.

Fair Processing Notice: The information you have provided on this form is required under the Income Tax (Guernsey) Law, 1975 for the purposes of the assessment and collection of income tax.
