Proposed by: Deputy M M Lowe Seconded by: Deputy A H Brouard

Proposition: To suspend Rules 13(2) and 15(2) and any other

provisions of the Rules of Procedure to the extent necessary to permit the amendment set out below to

Proposed by: Deputy G A St Pier Seconded by: Deputy A R Le Lièvre

In Proposition 1A, to delete all the words after "schools" and substitute: ", ideally of a broadly comparable size but in any event of a size capable of securing equality of opportunity for all students"; and to delete Propositions 2 to 5 inclusive and substitute:

"2. To direct that as soon as practicable, but in any event during 2016 or 2017, the Committee for Education, Sport & Culture shall submit a policy letter to the States with the capital and revenue implications and recommendations in respect of:

- a) the optimum changes to the education estate which are necessary to give effect to the States' policies contained in Propositions 1 and 1A, provided that the Committee shall first have considered the following options:
 - i) redeveloping a secondary school at La Mare de Carteret; and ceasing 11 to 16 education at Les Varendes and consolidating post-16 education, including sixth form studies and the College of Further Education, at Les Varendes and Les Ozouets; and
 - ii) maintaining 11 to 19 education, i.e. including a sixth form, at Les Varendes; and ceasing 11 to 16 education at La Mare de Carteret.
- b) any changes to the education estate which are considered necessary in relation to the facilities and services other than the secondary school previously proposed as part of the redevelopment of the site at La Mare de Carteret, e.g. pre-school, primary school, communication and autism centre, enhanced sports facilities and community facilities.
- c) any changes to the education estate not incorporated in a)i) and ii) above which are considered necessary to develop the College of Further Education, the need for which has been recognised by the States on several occasions and is referred to in that Policy Letter.
- d) the role, consistent with Proposition 1, of the grant-aided colleges (Blanchelande College, Elizabeth College and The Ladies' College) in the provision of secondary education and detailed proposals for any new funding arrangements with those grant-aided colleges together with the rationale for the quantum of grant-aid recommended.
- "3. To agree that pending the completion of any capital works approved by the States following their consideration of the policy letter envisaged in Proposition 2, it may be necessary to provide funding both to maintain the existing schools at La Mare de Carteret and to ensure the recruitment and retention of secondary school teachers.

[&]quot;4. To delegate authority to the Policy & Resources Committee to provide funding from the Capital Reserve and the Transformation and Transition Fund, as appropriate, to the Committee for Education, Sport & Culture to allow the Committee for Education, Sport & Culture to give effect to Propositions 1, 1A, 2 and 3 and to direct the Policy & Resources Committee to report to the States within six months of any use of this delegated authority."
