REVENUE SERVICE

PO Box 37, St Peter Port, Guernsey GY1 3AZ

SELF-EMPLOYED - ESTIMATE OF EARNINGS

To be completed by applicants who have started self-employment during the last two years

As there are special rules for the three years from the date you started self-employment please provide an estimate of your self-employed earnings. Only do this if you commenced self-employment during the last two years.

2018 £ _____ per week/month/year.

2019 £ _____ per week/month/year.

Instead of charging the maximum rate Contributions will use your estimate of your earnings for the first three years of self-employment until Income tax figures become available. When your actual earnings figures are provided, these will replace the estimates and an account or refund issued for the difference between the contributions due on the actual income and the contributions paid on the estimates. It is therefore in your interests to estimate your earnings as accurately as possible.

The Policy and Resources Committee will process any personal data which you provide, via this form, in accordance with the Data Protection (Bailiwick of Guernsey) Law, 2017. Further information about how your personal data is processed by the States of Guernsey can be found at www.gov.gg/revenueservice or alternatively you may contact us on 705700 and request a paper copy.
