# Who are we?

We are a specialist peripatetic service supporting children with sensory hearing impairments, from the age of detection to leaving full time education. We work with children and young people aged between 0 and 19 in the home, pre-school and mainstream and special school settings.

## What do we do?

- Support and advice to parents, families, school staff and carers
- Assessment, and intervention programmes, classroom instruction, ongoing monitoring and reporting Deaf awareness
- Training for teachers and staff
- A link with many other outreach programmes, agencies, care providers, as well as local and national societies
- Specialist support for individual needs
