Data Protection - How we collect and use information

The States of Guernsey Health and Safety Executive processes personal data for the purpose of enforcing Health & Safety at work and associated legislation. The personal data collected will vary depending on your business with us, but will be no more than is required for that legitimate and lawful purpose. We may obtain information about you from third parties for any lawful purpose in accordance with the Data Protection (Bailiwick of Guernsey) Law, 2017 ("DPL"). We may also share your personal data with certain other organisations if the DPL allows us to. All the personal data held by The States of Guernsey Health and Safety Executive will be processed in accordance with the DPL. If you wish to know more about the information we have about you, or about the way we use it, you can check our website page www.gov.gg/hse
