

STATES' ASSEMBLY & CONSTITUTION COMMITTEE

**RECORD OF MEMBERS' ATTENDANCE AT MEETINGS OF THE STATES OF DELIBERATION,
AND COMMITTEES**

The Presiding Officer,
The States of Guernsey,
Royal Court House,
St Peter Port

30th January, 2017

Dear Sir,

On the 29th October, 2010 the States resolved, inter alia:

1. ...
2. *That departments and committees shall maintain a record of their States Members' attendance at, and absence from meetings and that the reason for absence shall also be recorded.*
3. *That the records referred to in 2 above, together with a record of States Members' attendance at meetings of the States of Deliberation, shall be published from time to time as an appendix to a Billet d'État.*

In laying this report before the States, the Committee would draw attention to the fact that the tables in it record only the attendance by Members of the States at States and Committee meetings. They do not show attendance at Committee sub-committee meetings or presentations. Nor do they show the amount of work or time spent, for example, on dealing with issues raised by parishioners, correspondence and preparing for meetings.

I should be grateful if you would arrange for this report, in respect of statistics provided by Her Majesty's Greffier and Committees for the six months ending 31st October, 2016, to be published as an appendix to the Billet d'État for the Meeting to be held on the 8th March, 2017.

Yours faithfully,

Deputy M. J. Fallaize

President
States' Assembly & Constitution Committee

Notes:

The only inference which can be drawn from the attendance statistics in this part of the report is that a Member was present for the roll call or was subsequently *relevé(e)*.

Some Members recorded as absent will have been absent for reasons such as illness.

The details of all recorded votes can be found on the States' website <http://www.gov.gg/> on the page for the relevant States' Meeting.

Deputy Dave Jones sadly passed away in July 2016 and his attendance figures are therefore not included in the figures above.
