

Post-16 Learner Experience

Joe is going to University to study to study Medicine. He achieved A* and A grades in his GCSE exams.

Joe studied A Levels in Biology, Chemistry, Maths and Further Maths

Under the ESC proposals:

After finishing Year 11 at St Sampson's High Joe moved to the Sixth Form College to study his 4 A Levels.

Secondary

St Sampson's High

Post-16

Sixth Form College

Under the Alternative Proposals:

After finishing Year 11 on site A of the secondary school Joe remained on that site for 3 of his A Levels but needed to go to site B to study Further Maths (as that was only offered on 1 site).

Alternatively Joe could have moved to site B at 16 to for all 4 A Levels.

Post-16 Learner Experience

Alice wants, at this stage, to stay on island and study A Levels. She doesn't want to work in an office and is going to find an apprenticeship. Alice achieved A and B grades in her GCSE exams.

Alice wants to study A Levels in Maths, Physics, Design and a BTEC Certificate in Engineering

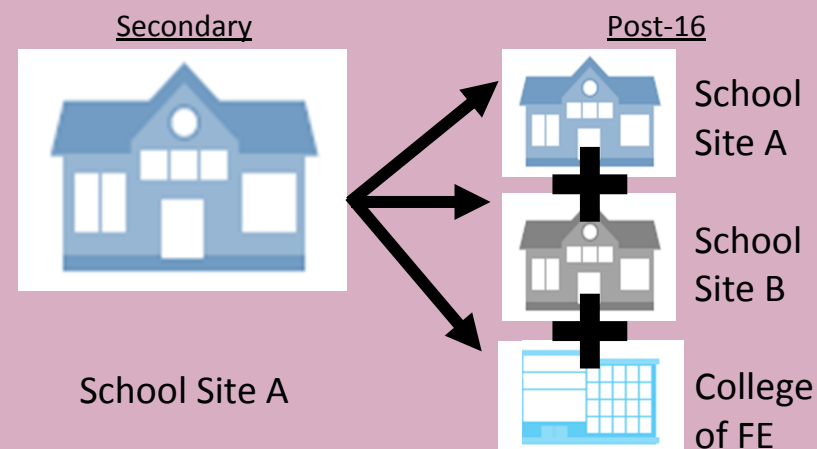

Under the ESC proposals:

After finishing Year 11 at Les Beaucamps High Alice can go to the Sixth Form College and study 3 A Levels alongside the BTEC Certificate.

Under the Alternative Proposals:

After finishing Year 11 on site A of the secondary school Alice could study her choice of A Levels either across both sites or she could move to site B for all of them. Alice would need to attend the College of FE for the BTEC Certificate.

Post-16 Learner Experience

John would like to be an accountant. John achieved B and C grades in his GCSE exams.

John studied a BTEC Extended Diploma in Business

Under the ESC proposals:

After finishing Year 11 at the new secondary school John went to the Sixth Form College to study.
