**Proposition P.2018/45**

**AMENDMENT**

Proposed by: Deputy E A Yerby  
Seconded by: Deputy S T Hansmann Rouxel

**POLICY & RESOURCES COMMITTEE**

**THE POLICY & RESOURCE PLAN (2017 REVIEW AND 2018 UPDATE)**

1. To delete Propositions 1(a), 1(d), 1(e), 1(f), 1(h) and 1(i).
2. In Proposition 1(l), to delete the words "every December" and to substitute therefor "as part of the annual Policy & Resource Plan update, reporting on Guernsey's performance against the adapted OECD Regional Wellbeing framework indicators set out in paragraph 4.6 of this policy letter,"; and
3. To insert a new Proposition 1(r): "the Principal Committees to include, in their annual progress updates on the Policy & Resource Plan, information on how their priorities are performing against any critical success factors and performance indicators they have set."

**EXPLANATORY NOTE**

This amendment deletes all sub-paragraphs which direct Committees to work with the Policy & Resources Committee to develop performance indicators or metrics for individual priorities. The proposers of this amendment support the principle of performance measurement, but will argue that the process outlined here will add undue bureaucracy and divert resources from more pressing work at this stage.
