The Right to Work (Limitation and Proof) (Guernsey) Law, 1990

- (1) Every person who is in employment in Guernsey must be the holder of a currently valid right to work document.
- (2) Subsection (1) of this section does not apply to any employment –
 - (b) in the course of a visit to Guernsey of a duration not exceeding 15 hours; or
 - (c) of a person whose employer is not resident in Guernsey or a self-employed person who is principally employed outside Guernsey, at a time when the person concerned has been in employment in Guernsey:
 - (i) on no more than 10 days during the preceding 30 days; and
 - (ii) on no more than 90 days during the preceding 12 months;

Therefore a person who has been issued a non- resident traders licence could be present in the Island for the purpose of employment as a self employed person who is principally employed outside Guernsey as long as they do not exceed the above limits. If they were to stay longer then they would require a right to work document and the Housing Control Department should be notified who could advise on the application process.
