

SEYT Blog

Sent 18th April 2018

Another term gone and what a busy Spring term we have all had! As always, if you or your team have information to share with other providers, please let us know and we will add it to the Blog.

GCSE Information

Practitioners who are completing their GCSE in English and Maths or Functional Skills in English and Maths at the Guernsey College of Further Education and would like additional support, please contact Paula Grady on either paulag@gcfe.net or 07781 164645.

Summer Dates

Actual figures for the Summer Term are required back on or before **18th May** to ensure that the remaining 20% payment is made on or before the 15th June. Please note that if you have not yet confirmed your **Estimated** figures for the Summer Term (that were due on 19th March) your 80% payment will be made late.

Autumn Information

Please send in your completed Parent Declaration Forms for September's intake on or before 15th June. As soon as your spreadsheets are ready, they will be sent out for you to check. **Estimated** figures for the Autumn Spreadsheets will be due back on or before **16th July**. Attached is the 2018-19 Important Dates to add to your diaries to ensure figures are received and payments are made on time.

Our Webpage

Please remember to visit our webpage <https://www.gov.gg/preschool> it has had a bit of a makeover to hopefully make looking for documents easier. There is all sorts of information, forms and documents that you may require and of course, the CPD Diary is there too – Summer 2018 is now available online! Just to confirm that the Emergency First Aid at Work course is taking place on 19th May, however, we are still waiting on date confirmation regarding the Paediatric First Aid.

DBS Reminder

Just a reminder to please contact The Guernsey Vetting Bureau, if you have not done so already, to ensure that you are registered and trained to process police checks. Details on how to register can be found on the attached Guernsey Vetting Bureau Information and Guidance document and for further information on their webpage <https://www.gov.gg/article/151886/Guernsey-Vetting-Bureau-and-criminal-conviction-disclosures-police-checks> or you can contact them on 741475 or gvb@guernsey.pnn.police.uk

Now we're Cooking!

Attached is the presentation from Lucy Whitman from this terms Leaders and Managers Forum. If you have any healthy recipes you would like to share then please email us!

States Early
Years Team

SEYT Blog

Daily Mile

The Daily Mile is now undertaken at ten schools in Guernsey and we are keen to extend to Early Years. The website - www.thedailymile.co.uk is very accessible and explains the process of establishing The Daily Mile. Please find attached information regarding The Daily Mile in Guernsey.

MECSH

Attached is the presentation from Julia Dando from this terms Leaders and Managers Forum along with contact details and map information regarding the Health Visitors.

Children's Services Conference

Attached is information and the booking form for the 'Steps in the Right Direction' conference that is taking place on 15th May.

Top Tips and Clips

A lovely idea from Milly Lowin our Early Years Support Officer, for children to learn Yoga!
<http://minimeyoga.com/programs/elearning/>

All that is left to do is wish you all a very Happy Easter!
