### WHAT DO WE DO?

The Primary Care Mental Health & Wellbeing Service offers brief therapeutic interventions for mild-moderate anxiety and depression. There are many other services and groups, some of which may be specific to your difficulty and therefore helpful for you.

### WORKSHOPS & COURSES

People referred to the PCMHWS are able to attend workshops and courses. Please contact the email or phone number on your Healthy Minds letter for more details.

Mindfulness introduction - 2 sessions of 1 hour

CBT Skills for Anxiety & Depression workshop – 2 hours

The Decider Life Skills workshop – 2.5 hours

Assertiveness workshop - 2 sessions of 1 hour

Stress and Worry workshop – 2 hours

Self Esteem workshop - 2 hours

Yoga course - 6 sessions of 1 hour

### SELF HELP ONLINE

### **Self Help resources and information**

www.get.gg/selfhelp.htm

Click on the name of the problem, then read / work through the self help guide. You can print off worksheets and leaflets.

#### **Guided Self Help mp3s**

www.get.gg/clients

download them to your phone or computer. You will be prompted for the username and password:

Username: pcare Password: 707744
