Planning enquiry concerning Chouet Headland of 1988.

Request for information:

Pursuant to the Code of Practice for Access to Public Information, please would you provide me with an electronic copy of the Inspector's Report for the Planning Enquiry concerning Chouet Headland of 1988. I have searched for this online and at gov.gg but have been unable to find it.

Response:

In response to your API requested dated 26th April 2019, the States had not yet started to produce electronic reports in 1988. The information is in the public domain as a hard copy in the bound volumes of the Billet d'État for 1988 starting at page 981. The Resolution can be found starting at page 145 of the same volume. This can be obtained from the Guille-Alles Library in St Peter Port.
