**Proposition P.2019/40**

**AMENDMENT**

Proposed by: Deputy R H Tooley  
Seconded by: Deputy H L de Sausmarez

**POLICY & RESOURCES COMMITTEE**

**POLICY & RESOURCE PLAN – 2018 REVIEW AND 2019 UPDATE**

To delete Proposition 2(f) and to replace it with the following:

"(f) To agree that a Special Meeting of the States of Deliberation shall be convened on Tuesday 21 April at which the sole business shall be to consider the handover report / 'End of Term' policy letter on the Policy & Resource Plan."

**EXPLANATORY NOTE**

This amendment moves the date of the debate on the final P&R Plan from Tuesday 5 May (immediately before the very last States Meeting of this term, on Wednesday 6 May) to Tuesday 21 April (immediately before the penultimate States Meeting, on Wednesday 22 April).

Based on previous States' terms, we anticipate that there could be a substantial amount of business at the final States Meeting of the term. It is also likely that the debate on the P&R Plan could take more than one day. We think that moving this debate forward to the penultimate meeting will help to reduce the risk of important business being postponed into next term, or of States Members being unable to give such matters the critical scrutiny they require due to the size of the agenda at that final Meeting.
