### Alps Case

---

**Request:**

I'd like to apply for some details under the code for Access to Information.

I'd like to know:

How many police hours have been spent by GUERNSEY Police investigating the death of Mikus Alps?

I'd like to know how much money has been spent on this specific investigation?

How many hours have been spent by UK law enforcement officials working on this case?

**Response:**

Guernsey Police can confirm the total cost of the investigation is currently £70,000 and staffing hours by Guernsey Police in this investigation are approximately 1,245.

We are unable to provide detail of UK Law Enforcement time, that would be for them to answer.
