Locate Guernsey

In the API request received in the email dated 5 June, 2019, request was made for the following information:

1. How many relocations of firms and individuals were made in the years 2014, 2015, 2016, 2017, 2018? Please can you break this down into firms and individuals?
2. How many of the firms which relocated belonged to the extractives industries? By "extractives", I mean mining, oil, gas, minerals, etc. Please can you break this down by year?

In response to this request the following information is provided:

- 1. How many relocations of firms and individuals were made in the years 2014, 2015, 2016, 2017, 2018? Please can you break this down into firms and individuals?**

Locate Guernsey was established in 2016 and therefore, the statistics from before this are not held. The table below shows the number of relocations for the years 2016, 2017 and 2018 but these are not separated into individuals and businesses and those moving for both personal and business reasons.

Please note that these figures only include those that have contacted and worked with Locate Guernsey. There is no obligation for businesses or individuals to use Locate Guernsey for the relocation process.

- 2. How many of the firms which relocated belonged to the extractives industries? By "extractives", I mean mining, oil, gas, minerals, etc. Please can you break this down by year?**

Locate Guernsey have worked with one relocation in the extractive industries as defined in the question. However, this business left the island in 2017.
