Dear Parent/Guardian

Re: Annual Nasal Flu Vaccine to Primary School Age Children.

The School Nurses are due to visit primary schools to offer the Nasal Spray Flu Vaccine to protect your child against Flu. Flu can be an unpleasant illness and can sometimes cause serious complications.

Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of Flu. The vaccination is free and is a quick and easy spray up the nose. Even if your child had it last year, it is recommended to have the Flu Vaccine again this year.

You can read more about this vaccine at <https://www.gov.gg/schoolnurses> or <https://www.nhs.uk/conditions/vaccinations/child-flu-vaccine/>

We recommend you read the leaflet 'Protecting your child against Flu' and the Nasal Flu Vaccine Product Information Leaflet available at these websites before completing the enclosed Consent Form and returning to school.

The School Nurses are due to visit:

.....**School**

On

.....**Date**

Please return the Consent form to school by

If your child becomes wheezy, has a bad Asthma attack, or has started oral steroids for their Asthma after you return this form, please contact the School Nurse team at Lukis House on Tel No: 707368. A School Nurse will be available in school on the day of immunisation from 8:30 am to discuss any queries.

Yours faithfully

School Nursing Service
Children and Family Community Services

Enc: Consent Form

The information you will provide on the consent form is required for the School Nursing Service for the purposes of administering immunisations in schools. This information will be processed in line with the Data Protection (Bailiwick of Guernsey) Law, 2017. For full details of our Fair Processing Notice and how we look after your data please visit: www.gov.gg/hscprivacy If you don't have access to the internet please contact us and a paper copy will be provided.
