Subject:	<u>Transforming Education Programme & Putting Into Effect the Policy Decisions Made by the States in 2018</u>
Proposition type:	Proposition 6

6.

- a) To note that the Committee for Education, Sport & Culture consider that there is merit in rationalising the number of campuses from which the College of Further Education is operating by relocating provision from the Delancey Campus to the Les Ozouets Campus; and to agree that the Committee will work with the Committee for Health & Social Care and the States' Trading Supervisory Board to establish as expeditiously as possible the feasibility of using the Delancey Campus for a range of health, care and community services provided under the auspices of the Committee for Health & Social Care.

- b) Pursuant to the Resolution made by the States on 7th June 2018, after consideration of the policy letter entitled 'Optimising the Use of the States Land and Property Portfolio' of the States' Trading Supervisory Board dated 26 April 2018, that "the future operating model for the management and administration of States land and property shall be such that the States' Trading Supervisory Board acts as Landlord (unless there is a good reason for it not to do so) and the Policy & Resources Committee the Tenant, on behalf of itself and other Committees of the States as Occupiers" (Item VIII.1 on Billet d'État No. XVI of 2018 and P.2018/37), to direct the Policy & Resources Committee to:
 - (i) work with the Committees for Education, Sport & Culture and Health & Social Care to define the space requirements for the proposed range of health, care and community services, commissions and other bodies which provide services on behalf of the States;

 - (ii) work with the States' Trading Supervisory Board to identify the most suitable site for these services taking into account other requirements for public service provision; and

 - (iii) return to the States with conclusions and any propositions considered necessary by December 2020.
