Request regarding empty residential properties

Request for information:

I'd like to find out how many empty homes there are in Guernsey and how that figure compares to the past five years. I can see previously this has been done by checking electricity consumption.

Response (provided by the States of Guernsey, Data and Analysis):

The requested information is available latest Guernsey Annual Residential Property Stock Bulletin, section 6.1 of <https://www.gov.gg/CHttpHandler.ashx?id=118382&p=0>.

2019 figures are due to be published in March 2020.
