**Date of response:** 15 January 2020

### Further request regarding details of Employment Permit application

#### **Request for information:**

(NOTE: the questions below relate to a previous request made under the Code of Practice for Access to Public Information which can be found here:

<https://www.gov.gg/CHttpHandler.ashx?id=122647&p=0>)

1 - What was the number of people given as not needing an employment permit in the answer to the question: "*Please tell us how many people not needing an Employment Permit applied, and why they were not employed by you*"?

2 - confirmation as to whether and in-policy application or an out-of-policy application was made?

3 - if an in-policy application was made, which of the in-policy positions currently on the list of in-policy post was used?

#### **Response** (provided by the Office *of the* Policy & Resources Committee):

The number of people given as not needing an Employment Permit was two. It was an out-of-policy application.
