States of Guernsey – All other Resolutions

Introduction

The table below captures the Resolutions of the States of Guernsey (as at 2nd June 2023) that do not require any further action as they have either been completed, rescinded (withdrawn), or there was never a direction to complete an action.

The total numbers are not necessarily reflective of the volume of work completed, as the scale of the work of some actions is more complex than other. There could also be several dependencies relating to the work that impact how long a Resolution takes to complete.
