

**THE STATES OF DELIBERATION of the
ISLAND OF GUERNSEY**

18th March, 2020

Proposition P.2020/18

SURSIS MOTIVÉ

Proposed by: Deputy J S Merrett
Seconded by: Deputy E A McSwiggan

REQUÊTE

**EXTENSION TO THE BAILIWICK OF THE UK-US EXTRADITION TREATY OF 2003
AND CHANGES TO THE PROCESSES RELATING TO THE
APPROVAL OF INTERNATIONAL INSTRUMENTS**

To sursis the Propositions and to direct the Policy & Resources Committee to include the Requête in a Schedule for future States' Business for consideration at a States Meeting before the end of the political term.

EXPLANATORY NOTE

It is the wish of the Requéants that the Requête should be debated this States' term if at all possible, but we recognise that, at the moment, the States' priority is, necessarily, responding to the coronavirus pandemic. There is also a legitimate desire not to prolong the March States' Meeting at a time when all Islanders are being asked to observe social distancing measures (see www.gov.gg/coronavirus).

With that in mind, we are content to suggest that our Requête can be deferred for now, but would ask the Policy & Resources Committee to include it on the Schedule of Future States Business for the next meeting at which it can reasonably be considered.
