### Limitations of approval

1. The evaluation of this product has been fast-tracked and the product is therefore re-authorised as tested in March 2020.
2. Approval of this product does not imply that the safety or efficacy of the product have been tested in accordance with the Biocidal Product Regulation (EU 528/2012).
3. Approval does not imply that the product has been prepared following ISO 22716:2007, or in accordance with BS EN 1500:2013.
4. This product is approved for use in the Bailiwick of Guernsey only. It must not be exported outside the Bailiwick without the appropriate approval being obtained in the receiving jurisdiction.

**Robin Gonard**

Chief Health and Safety Officer  
Health and Safety Executive

Officer authorised to perform the functions of the Committee for Employment & Social Security under Section 4(1)(a) of the Public Functions (Transfer and Performance) (Bailiwick of Guernsey) Law, 1991

Notes

- The sale and supply of the product is prohibited after 31 December 2021 unless renewed.
- Use and storage by the final user is prohibited after 31 December 2021.
- Products which are no longer approved should be returned to the supplier or disposed of via the States of Guernsey hazardous waste collection and disposal service.
- Continuing to sell, supply, store or use after the due dates is an offence and could lead to further action.
