

THE STATES OF DELIBERATION
of the
ISLAND OF GUERNSEY

29th April, 2020

Proposition No. P.2020/91

POLICY & RESOURCES COMMITTEE

COVID-19 PANDEMIC—FUNDING OF FINANCIAL RESPONSE

AMENDMENT

Proposed by: H L de Sausmarez

Seconded by: R H Tooley

In Proposition 2(b)(i), directly after “Bailiwick”, to insert “that shall include fiscal, economic, social and environmental objectives”.

To insert directly after 2(b)(ii):

“2.b.iii. a mechanism by which the Recovery Strategy will be reviewed.”

To delete 2(c) and to substitute therefor:

“2.c. To agree that the Policy & Resources Committee will ensure that regular reviews, as referenced in 2(b)(iii), take place to provide assurance on the Recovery Plan and its delivery, initially on a six-monthly basis.”

Rule 4(3) – financial implications

The last Annual Independent Fiscal Report cost £45,000; managing and co-ordinating the process and providing the necessary information required an estimated 150 hours of staff time. The proposer and seconder of this amendment consider that this gives a reasonable guideline to the indicative cost if the States decide a similar type of review is the most appropriate review mechanism.
