Promoting outdoor learning & Transition From pre-school to Reception classes

To promote transition opportunities for our preschool children, The Transition Working Party, made up of teachers from our preschools and schools, member of the States Early Years Team, have developed a list of things in Guernsey, Alderney or Herm for your four year old to do before they start school in their Reception class.

To open the map, you will need a QR scanner app & a Google account.

Children can share their photos, drawings etc. with their new class teacher when they start school and celebrate all the things they have learnt and can do by themselves!
