Dear Sir/Madam,

Re: Storage Unit, Rohais, St Peter Port - Proposed Light Industrial

On behalf of our client, please enclosed our application for the proposed extension to an existing workshop.

Policy GP9 – Sustainable Development

Waste:

Waste will be kept to a minimum

Dispose/recycle:

Materials will be separated on site and disposed of responsibly.

Responsibility:

The responsibility for the site waste management plan will transfer to the contractor when construction starts.

Sustainability:

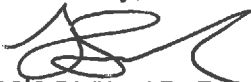

The working drawings will specify thermal elements and other matters to comply as a minimum with building regulation standards but where appropriate and practical, will exceed these requirements so that all units will require minimum energy consumption.

We enclose the following in support of our application:

1. 4 copies of our site location and block layout plans: 2485-SK-01
2. 4 copies of our scheme drawing numbered: 2485-SK-2 & SK-02
3. 2 Copies of Completed Application Form
4. Cheque for the sum of £1840 (One Thousand Eight Hundred and Forty Pounds)

Please note that this application has also been submitted electronically and should you require any additional information or have any queries, please contact me at this office.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'J Smale', written over a horizontal line.
