

THE STATES OF DELIBERATION  
of the  
ISLAND OF GUERNSEY

18th August, 2020

Proposition No. P.2020/27

**COMMITTEE FOR THE ENVIRONMENT & INFRASTRUCTURE**

**THIRD PARTY PLANNING APPEALS**

**AMENDMENT**

Proposed by: Deputy B L Brehaut

Seconded by: Deputy M H Dorey

In Proposition 4 for "April 2021" substitute "April 2022".

**EXPLANATORY NOTE**

The policy letter was submitted on 28<sup>th</sup> February 2020 for debate in April 2020. However due to the impact of the COVID-19 pandemic, debate on this matter item has been delayed by some 4 months.

Further, following approval by the States of Deliberation of the resolutions following P.2020/106 – Revive and Thrive: Our Recovery Strategy for Guernsey Together, the principal focus of the Committee *for the* Environment & Infrastructure, in line with all other States' Committees must be on the delivery of the recovery strategy. Resolution 1 of 2<sup>nd</sup> July, 2020 following that policy letter agrees that all committees of the States "shall discharge their functions in a manner which is consistent with, and intended to support and give effect to, the outcome established by the Recovery Strategy". Therefore, it is considered that for the Committee *for the* Environment & Infrastructure to divert staff resources to the consultation process set out in Proposition 4 would, at this time, be inconsistent with Resolution 1 of P.2020/106 – Revive and Thrive: Our Recovery Strategy for Guernsey Together.
