Acoustic upgrade to Courts 5&6 Royal Courthouse, St Peter Port
Take off existing doors to Courts 5&6 and store permanently onsite.(not Greffe)

Carefully take off existing architraves and mouldings and set aside for refixing later. Remove panels to soffits and reveals and set aside for refixing.
Carefully remove existing frames and set aside in permanent storage.
Fix new doors and frames as shown and adjust linings and panels to suit new depth of frame. Apply acoustic sealant as per spec.
Refix mouldings and architraves previously set aside.
Decorate all items to closely match existing joinery.

New partition to former Greffe door
Fix current door shut and install partition as specified within reveals of opening. Seal with acoustic sealant and decorate with white emulsion.

Original Dimension = 100mm
