General disclaimer on the synthesised text document

This document presents the synthesised text for the application of the Agreement between Guernsey and the Grand Duchy of Luxembourg for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income and on Capital signed on 10 May 2013 (“the Agreement”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by Guernsey on 7 June 2017 and by Luxembourg on 7 June 2017 (“the MLI”).

The document was prepared on the basis of the MLI position of Guernsey submitted to the Depositary upon ratification on 12 February 2019 and of the MLI position of Luxembourg submitted to the Depositary upon ratification on 9 April 2019. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement” and “Agreement”, “Contracting Jurisdictions” and “Contracting Parties”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement or to the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

1. For the purposes of this Agreement, the term "resident of a Contracting Party" means any person who, under the laws of that Party, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature, and also includes that Party and any local authority thereof. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting Party an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that Party in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

6. An enterprise shall not be deemed to have a permanent establishment in a Contracting Party merely because it carries on business in that Party through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

7. The fact that a company which is a resident of a Contracting Party controls or is controlled by a company which is a resident of the other Contracting Party, or which carries on business in that other Party (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

Article 6

1. Income derived by a resident of a Contracting Party from immovable property (including income from agriculture or forestry) situated in the other Contracting Party may be taxed in that other Party.

2. The term "immovable property" shall have the meaning which it has under the law of the Contracting Party in which the property in question is situated. Profits of an enterprise of a Contracting Party shall be taxable only in that Party unless the enterprise carries on business in the other Contracting Party through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits that are attributable to the permanent establishment in accordance with the provisions of paragraph 2 may be taxed in that other Party.

2. For the purposes of this Article and Article 22, the profits that are attributable in each Contracting Party to the permanent establishment referred to in paragraph 1 are the profits it might be expected to make, in particular in its dealings with other parts of the enterprise, if it were a separate and independent enterprise engaged in the same or similar activities under the same or similar conditions, taking into account the functions performed, assets used and risks assumed by the enterprise through the permanent establishment and through the other parts of the enterprise.

3. Where, in accordance with paragraph 2, a Contracting Party adjusts the profits that are attributable to a permanent establishment of an enterprise of one of the Contracting Parties and taxes accordingly profits of the enterprise that have been charged to tax in the other Party, the other Party shall, to the extent necessary to eliminate double taxation on these profits, make an appropriate adjustment to the amount of the tax charged on those profits. In determining such adjustment, the competent authorities of the Contracting Parties shall if necessary consult each other.

4. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

where such rental profits or profits from such use, maintenance or rental, as the case may be, are incidental to the profits described in paragraph 1.

4. If the place of effective management of a shipping enterprise or of an inland waterways transport enterprise is aboard a ship or boat, then it shall be deemed to be situated in the Contracting Party in which the home harbour of the ship or boat is situated, or, if there is no such home harbour, in the Contracting Party of which the operator of the ship or boat is a resident.

- a) an enterprise of a Contracting Party participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting Party, or
- b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting Party and an enterprise of the other Contracting Party, and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting Party includes in the profits of an enterprise of that Party - and taxes accordingly - profits on which an enterprise of the other Contracting Party has been charged to tax in that other Party and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Party if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Party shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had

to the other provisions of this Agreement and the competent authorities of the Contracting Parties shall if necessary consult each other.

Article 10 DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting Party to a resident of the other Contracting Party may be taxed in that other Party.

2. However, such dividends may also be taxed in the Contracting Party of which the company paying the dividends is a resident and according to the laws of that Party, but if the beneficial owner of the dividends is a resident of the other Contracting Party, the tax so charged shall not exceed:

- a) 5 per cent of the gross amount of the dividends if the beneficial owner is a company (other than a partnership) which holds directly at least 10 per cent of the capital of the company paying the dividends;

Contracting Party of which the company paying the dividends is a resident, through a permanent establishment situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

5. Where a company which is a resident of a Contracting Party derives profits or income from the other Contracting Party, that other Party may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other Party or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated in that other Party, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other Party.

However, the term "interest" shall not include income referred to in Article 10. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

4. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. - c) where a company which is a resident of Luxembourg derives dividends from Guernsey sources, Luxembourg shall exempt such dividends from tax, provided that the company which is a resident of Luxembourg holds directly at least 10 per cent of the capital of the company paying the dividends since the beginning of the accounting year and if this company is subject to Guernsey tax corresponding to the Luxembourg corporation tax. The above-mentioned shares in the Guernsey company are, under the same conditions, exempt from the Luxembourg capital tax. This exemption under this sub-paragraph shall also apply notwithstanding that the Guernsey company is exempted from tax or taxed at a reduced rate in Guernsey and if these dividends are derived out of profits from activities in agriculture, industry, infrastructure or tourism in Guernsey;
- d) the provisions of sub-paragraph a) shall not apply to income derived or capital owned by a resident of Luxembourg where Guernsey applies the provisions of this Agreement to exempt such income or capital from tax or applies the provisions of paragraph 2 of Article 10 to such income.

Article 23

NON-DISCRIMINATION

1. Nationals of a Contracting Party shall not be subjected in the other Contracting Party to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other Party in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting Parties.

2. The taxation on a permanent establishment which an enterprise of a Contracting Party has in the other Contracting Party shall not be less favourably levied in that other Party than the taxation levied on enterprises of that other Party carrying on the same activities. This provision shall not be construed as obliging a Contracting Party to grant to residents of the other Contracting Party any personal allowances, reliefs and reductions for

taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

3. Except where the provisions of paragraph 1 of Article 9, paragraph 4 of Article 11, or paragraph 4 of Article 12 apply, interest, royalties and other disbursements paid by an enterprise of a Contracting Party to a resident of the other Contracting Party shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned Party. Similarly, any debts of an enterprise of a Contracting Party to a resident of the other Contracting Party shall, for the purpose of determining the taxable capital of such enterprise, be deductible under the same conditions as if they had been contracted to a resident of the first-mentioned Party.

4. Enterprises of a Contracting Party, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting Party, shall not be subjected in the first-mentioned Party to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned Party are or may be subjected.

5. The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

Article 24

MUTUAL AGREEMENT PROCEDURE

1. **[Replaced by the first sentence of paragraph 1 of Article 16 of the MLI]** [Where a person considers that the actions of one or both of the Contracting Parties result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those Parties, present his case to the competent authority of the Contracting Party of which he is a resident or, if his case comes under paragraph 1 of Article 23, to that of the Contracting Party of which he is a national.]

The following first sentence of paragraph 1 of Article 16 of the MLI replaces the first sentence of paragraph 1 of Article 24 of this Agreement:

ARTICLE 16 OF THE MLI – MUTUAL AGREEMENT PROCEDURE

Where a person considers that the actions of one or both of the [Contracting Parties] result or will result for that person in taxation not in accordance with the provisions of [this Agreement], that person may, irrespective of the remedies provided by the domestic law of those [Contracting Parties], present the case to the competent authority of either [Contracting Party].

The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting Party, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting Parties.

3. The competent authorities of the Contracting Parties shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

4. The competent authorities of the Contracting Parties may communicate with each other directly, including through a joint commission consisting of themselves or their representatives, for the purpose of reaching an agreement in the sense of the preceding paragraphs.

5. Where,

- a) under paragraph 1, a person has presented a case to the competent authority of a Contracting Party on the basis that the actions of one or both of the Contracting Parties have resulted for that person in taxation not in accordance with the provisions of this Agreement, and

b) the competent authorities are unable to reach an agreement to resolve that case pursuant to paragraph 2 within two years from the presentation of the case to the competent authority of the other Contracting Party,

any unresolved issues arising from the case shall be submitted to arbitration if both competent authorities and the taxpayer agree and the taxpayer agrees in writing to be bound by the decision of the arbitration board. These unresolved issues shall not, however, be submitted to arbitration if a decision on these issues has already been rendered by a court or administrative tribunal of either Party. The decision of the arbitration board in a particular case shall be binding on both Parties with respect to that case and shall be implemented notwithstanding any time limits in the domestic laws of these Parties. The competent authorities of the Contracting Parties shall by mutual agreement settle the mode of application of this paragraph.

Article 25

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting Parties shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting Parties, or of their local authorities, insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Articles 1 and 2.

2. Any information received under paragraph 1 by a Contracting Party shall be treated as secret in the same manner as information obtained under the domestic laws of that Party and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting Party the obligation:

- a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting Party;
- b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting Party;
- c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information the disclosure of which would be contrary to public policy (ordre public).

4. If information is requested by a Contracting Party in accordance with this Article, the other Contracting Party shall use its information gathering measures to obtain the requested information, even though that other Party may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting Party to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting Party to decline to supply information upon request solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

Article 26

MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS

Nothing in this Agreement shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.

The following paragraph 1 of Article 7 of the MLI applies and supersedes the provisions of this Agreement:

ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE

(Principal purposes test provision)

Notwithstanding any provisions of [*the Agreement*] a benefit under [*the Agreement*] shall not be granted in respect of an item of income or capital if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of [*the Agreement*].

The following paragraph 4 of Article 7 of the MLI applies to paragraph 1 of Article 7 of the MLI:

Where a benefit under [*the Agreement*] is denied to a person under [*paragraph 1 of Article 7 of the MLI*], the competent authority of the [*Contracting Party*] that would otherwise have granted this benefit shall nevertheless treat that person as being entitled to this benefit, or to different benefits with respect to a specific item of income or capital, if such competent authority, upon request from that person and after consideration of the relevant facts and circumstances, determines that such benefits would have been granted to that person in the absence of the transaction or arrangement referred to [*in paragraph 1 of Article 7 of the MLI*]. The competent authority of the [*Contracting Party*] to which a request has been made under this paragraph by a resident of the other [*Contracting Party*] shall consult with the competent authority of that other [*Contracting Party*] before rejecting the request.

Article 27

ENTRY INTO FORCE

1. Each Contracting Party shall notify the other in writing, through appropriate channels, that the procedures required by its law for the entry into force of this Agreement have been satisfied. The Agreement shall enter into force on the date of receipt of the last notification.

2. The Agreement shall have effect:

- a) in respect of taxes withheld at source, to income derived on or after 1 January of the calendar year next following the year in which the Agreement enters into force;
- b) in respect of other taxes on income, and taxes on capital, to taxes chargeable for any taxable year beginning on or after 1 January of the calendar year next following the year in which the Agreement enters into force.

Article 28

TERMINATION

1. This Agreement shall remain in force until terminated by a Contracting Party. Either Contracting Party may terminate the Agreement, through appropriate channels, by giving notice of termination at least six months before the end of any calendar year beginning after the expiration of a period of five years from the date of its entry into force.

2. The Agreement shall cease to have effect:

- a) in respect of taxes withheld at source, to income derived on or after 1 January of the calendar year next following the year in which the notice is given;
- b) in respect of other taxes on income, and taxes on capital, to taxes chargeable for any taxable year beginning on or after 1 January of the calendar year next following the year in which the notice is given.

In witness whereof the undersigned, duly authorised thereto, have signed this Agreement.
