Dear Stephanie

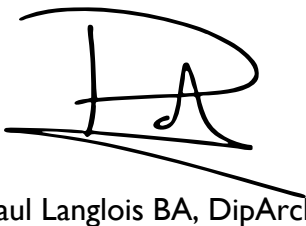

Re: Oatlands Village, PV Panels. Ref I540 Full Planning Submission

Please find enclosed drawings I540/36A showing the proposed PV panels located on the covered play area. The Planning fee of £70 will be paid by direct transfer.

In line with Policy GP9 the PV panels will be Sunpower 400w Comm, a single unit being 1016mm x 1996mm, and we are putting two rows of 10 panels to provide 8kw of Solar generation .

I trust that the proposal is acceptable however should you have any queries please do not hesitate to call.

Yours sincerely
