Planning application for company sign at Mayfield House, Rue des Roulias, Forest, GY8 0AS

Dear Sirs,

Please find enclosed four A1 drawings depicting our site location, block plan and building elevation showing our proposed company sign and logo. Enclosed also are two completed application forms and our cheque for the fee of £130.

We also enclose two copies of a mock-up illustrating the colour scheme of Sapphire blue on Traffic Yellow although the printed version is by no means colour accurate.

With regard to Guernsey's policies on sustainability and waste management we confirm that we have read through these and are mindful of them and will do our best to comply with the guidelines.

No doubt you will advise us if you require any further information. We look forward to receiving a copy of our application for display at our premises.

Yours faithfully

Ray Blakely- director
