Dear Sam

Hutton Hall, 7 Woodlands Park, Route Des Bas Courtils, St Saviours, GY7 9YE

Please find enclosed the following documents in relation to our planning application as previously discussed:

- Completed and signed Application Form.
- Site Location Plan.
- Block Layout Plan identifying the proposed area and works.
- Pictures of the Earth Bank.

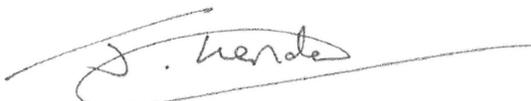

My wife and I would like to pay the appropriate fee of £150 by bank transfer and will call to make the necessary payment.

As mentioned in the pre-application process, we would like to remove the majority of the Earth Bank but leave approximately one foot of the said Bank to act as a boundary to our neighbours. The intention is to then plant and perhaps also erect a fence either directly in front or behind the remaining section of the Earth Bank. As you will see from the photos enclosed the area is in need of some care and we believe this will make the area much nicer once completed.

Whilst picking up my Wife from work on Friday evening (16th) we came home to find the gardener starting the works. We were not aware they were coming to the property and had only accepted a quote from them. The gardener advised they had come up for the last hour of the day to start with the intention of coming the next day to complete. We informed the gardener that we were waiting on a decision as to whether planning permission was required and the works were stopped quickly.

My Wife and I trust the above is in order, however, please let me know if you need anything further.

Yours sincerely

A handwritten signature in black ink, appearing to read 'J. Kendal', with a long horizontal line extending to the right.
