30th November 2018

Dear Mr Rowles

Re. Bunker, Hougue Ricart Quarry, La Mazotte, Vale, Guernsey, GY3 5LE

I have reviewed the proposed plans and radiation certificate for installation of 3 aerials and a new 5m pole which were received by post on 26th November 2018 and I do not wish to raise any objections to the proposals.

I would be grateful if these issues are considered during the determination of this application.

Please do not hesitate to contact me at the above address should you require any additional information regarding this matter.

Yours sincerely,

Charlotte Jones
Environmental Health Officer
