15:23	Presiding Officer	Procedural Issue: Advises there is no provision in the Rules of Procedure to withdraw an amendment after it has been laid and debate has commenced. Debate could be guillotined or, given the indication from Deputy Dyke that he no longer wishes to pursue the amendment, the States could agree not to speak further and move to the vote. Presiding Officer sought the advice of HM Procureur.	
15:25	HM Procureur	Advised that such matters had been dealt with in different ways in the last term. There is the written motion to withdraw under Rule 24.(3). Previous Presiding Officers have allowed Members to withdraw amendments so advised it is a matter for the Presiding Officer's judgement. Advises there is a requirement for the seconder to the motion to agree to the course of action.
