00:48	Presiding Officer	The Presiding Officer confirms no motion to annul statutory instruments have been received. Notes that the first three Ordinances laid before the States were going to be Ordinances proposed for approval by the States when convened for 27th January, but given the circumstances the Island found itself in, the Policy & Resources Committee exercised its powers under Article 66A of the Reform Law 1948 (as amended) to make those Ordinances which is why they were laid before the States. If there was a desire to seek to annul any of these measures, a motion can be placed at the next meeting.

00:49	Deputy Greffier	Civil Contingencies Authority - Emergency Powers (Coronavirus) (General Provision) (Bailiwick of Guernsey) Regulations, 2021	Proposition
00:49	Presiding Officer	Highlights that there are multiple propositions from the Civil Contingencies Authority. The Presiding Officer discussed the matter in advance with the Chairman of the Civil Contingencies Authority and put a motion to the States to take all of the Rule 18 propositions together rather than having six separate debates.	
00:50	Presiding Officer	Motion to take all the Civil Contingencies Authority propositions together in a single debate; and if any request for separate votes on the propositions, this can be dealt with at the end of debate.
