Proposition No. P.2021/71

Policy & Resources Committee

Government Work Plan 2021-2025

AMENDMENT

Proposed by: Deputy G St Pier
Seconded by: Deputy Y Burford

In Proposition 14 to insert “up to £10m” after “in the capital portfolio”

Rule 4(3) Information

There are no financial implications from this amendment.

Explanatory Note

In the last budget, the general delegated authority level for capital schemes was raised to £5m from £2m. In addition, the Policy & Resources Committee can already provide unlimited development funding for pipeline proposals and for any schemes in the portfolio up until they are ready to seek States’ approval (normally, pre-tender.)

This amendment raises the general delegated authority from £5m to £10m.
