### Freedom of Information request regarding replacement windows in Protected Buildings

---

**Request:**

Over the last five years how many individuals living in listed homes have applied to replace their single glazed windows with double glazing?

Of that number, how many were approved and what were the reasons for approval?

Of the ones refused, what were the reasons given for refusing?

**Response provided:**

The attached spreadsheet provides the information requested.

The Decision Notice will set out the reasons for refusal and approval. The Decision Notice for all the applications on the spreadsheet can be downloaded from our website ([States of Guernsey: Planning Websearch \(gov.gg\)](#)) and is therefore publicly accessible.
