Dear Gary,

I was very sorry to receive your letter of 15th May, 2013, advising me of your decision to resign from the Treasury and Resources Department for personal reasons which I completely understand and respect.

I have very much enjoyed working with you over the past year and have appreciated your positive and constructive approach to discussions around the Board table. I have valued your calm, level headed and considered manner. I am also most grateful to you for the support you have provided as a member of our Investment Sub-Committee and in representing the Department on a variety of different Project Boards.

I do hope that you have found your work with the Department rewarding and enjoyable. On behalf of my fellow Board members, I should like to thank you for your time with us and to convey to you our best wishes to you for your future in the States.

Yours sincerely

Gavin St Pier
Minister
