NOTES ON THE COMPLETION OF THE 2014 PERSONAL RETURN

Your reference number is important to ensure that your completed return is assessed as efficiently as possible. Your unique number can be found on the Coding Notice issued in October/November or the last notice of assessment received.

Note 1 **Declaration of worldwide income** If you are resident in Guernsey, all income, from any country, whether or not tax has been deducted, should be declared. If overseas tax has been deducted, evidence of this should be submitted with the return.

In "Occupation" state nature of employment (e.g. chef, accountant, builder). This is important if you wish to claim additional expenses (e.g. professional subscriptions, tools of your trade).

Note 2 **Self-employment** If your turnover is less than £15,000, you may fulfil your obligations by submitting 3 line accounts (available at www.gov.gg/form3LA), showing just your turnover, total expenses and net profit. Turnover includes cash and cheques, commission, tips, fees and gross income of any nature received. Further notes on the completion of Form 3LA are also available when downloading that form. If you are in your first year of trading, you must supply full accounts and computations (or you may use form TPLA – see below).

If your turnover is greater than £15,000, or if it is your first year of trading, you may fulfil your obligations by submitting a Trading, Profit and Loss account (TPLA) which is available for downloading and completion from our website (www.gov.gg/TPLA). Notes on the completion of the form are also included on the website.

Note 3 **Pensions received** If overseas tax has been deducted, evidence should be submitted with your return. Please show the frequency paid (e.g. weekly, monthly, quarterly, four weekly, etc) and rate applicable. If you are aware that you will commence to receive a pension at some point this year, please provide details to the Income Tax Office.

Note 4 **Ownership of Property: mortgage interest paid and income received** Please declare all properties owned (including dwelling houses, glasshouses, land and buildings), whether in Guernsey or elsewhere

Section 1 – Mortgage interest paid

Only one property may be designated as your principal private residence (PPR).

Interest paid on money borrowed for the acquisition, construction, re-construction or repair of a property is allowable on a PPR. Relief is limited to interest paid on a £400,000 mortgage and restricted to the level of the interest cap (£25,000 for individuals for 2014). See our website FAQs at www.gov.gg/taxationfaq for more information regarding the interest cap.

If your mortgage for your PPR is over £400,000 you will need to make the following calculation:

$$\frac{\text{Interest paid} \times 400,000}{\text{Average of outstanding balances on mortgage at beginning and end of the year}}$$

For example: Interest paid during calendar year 2014 = £26,000

Outstanding balance on 1 January 2014 £ 512,000

Outstanding balance on 31 December 2014 £ 491,000

£1,003,000 ÷ 2 = £501,500 = average

So the calculation would be as follows:

$$\frac{£26,000 \times 400,000}{£501,500} = £20,738 \text{ interest allowed as a deduction}$$

If the mortgage or loan is joint, state the total balance outstanding at the year end. However, please ensure that you only claim for your share of the interest paid and note the percentage claimed in the "Your share %" box, e.g. if the total joint interest paid during the year was £15,000 and your share is a half share, you should show £7,500 in the "Interest paid" column and "50%" in the "Your share %" box.

If you moved during the year, resulting in two PPRs, please provide details on a separate sheet.

For full details of the rules for relief for interest paid (including those for loans for other qualifying purposes) see The Income Tax (Tax Relief on Interest Payments) (Guernsey) Ordinance, 2007.

Section 3B – Income received from let Property

Guernsey Properties - Where you are responsible for the costs of repairing your let property, you will be allowed a deduction (Statutory Repairs Allowance) from the rental income, whether or not you incur any expenditure. This will be calculated by the Income Tax Office

If you wish to claim an additional deduction in respect of repairs and maintenance (including insurance on the structure of the building) for the Guernsey properties declared in Section 3A, please attach a schedule detailing the nature of the expenditure incurred and the amounts involved.

Evidence of expenditure claimed may be requested.

Overseas Properties - No Statutory Repairs Allowance is due on overseas properties so if you wish to claim any expenses against the rental income received please provide a schedule. Evidence of expenditure claimed may be requested.

Interest paid on money borrowed in respect of let property is available up to the amount of the assessable rent.

You may be asked to provide evidence of the purpose and the amount of any deduction claimed.
