Dear Deputy Lowe

RE: RULE 6 QUESTIONS

Thank you for submitting the rule 6 questions relating to time and expenditure incurred for States members off island. HSSD received your letter dated 7 January on 14 January and have responded as appropriate.

Please find attached our analysis covering 2008, 2009, 2010 and 2011. Should Board member travel expenditure become routinely published, HSSD endeavours to capture such expenditure in a way that allows for easily accessible and reportable figures by end of January each year.

Yours sincerely

Deputy P Luxon
Minister
Health and Social Services Department
