Establishing the Constitutional Investigation Committee

To insert a new Proposition 5 as follows:

“5. To direct that, as the mandate of the Constitutional Investigation Committee, in the context of reviewing Guernsey’s relationships with government in the United Kingdom, includes initially, but not exclusively, considering the method of extension of Acts of UK Parliament to Guernsey, it would be appropriate in this context to consider, in particular, the case of legislation which extends television licensing arrangements to the Island and therefore when the Committee reports back with its recommendations to the States, these shall include setting out the feasibility, advantages and disadvantages of repealing such legislation.”
