Draft Ordinance of the States

The Motor Taxation (First Registration Duty) (Guernsey) Ordinance, 2014

To sursis the draft Ordinance entitled "The Motor Taxation (First Registration Duty) (Guernsey) Ordinance, 2014" (see page 1 of the Brochure) until the January 2015 meeting of the States.

Explanatory Note

By way of background, the Department has been listening to the various concerns raised in the community and has met with many interested parties. The Department has, during those discussions, confirmed its agreement to propose some amendments to the legislation to address some of the concerns raised. It has done a significant amount of work in putting those amendments together and they will be published in good time ahead of the January States meeting. By deferring the legislation until next month's States meeting it will give time for the proposed revisions to be communicated clearly and widely.
